

VOCAL *Artistry*

Online Artist Development Program

Program Description

- The program runs from April - August 2025.
- Each participant will have a total of nine individual lessons with Tim Carson. The specific time for these lessons will be coordinated between Tim and the participant, and will last 45 minutes.
- There will be 5 Studio Classes that each participant will be involved in. Specific dates are still TBD.

Location

In this online offering of this program, individual sessions will take place over the internet, and the Studio Classes will be held in an online video session where participants will be able to see and hear the performances of each person in the program.

Practice Time

You should plan on vocalizing a minimum of 3-4 days/week, 20-30 minutes/day, and working on songs an additional 10-15 minutes a day, 3-4 days/week. Feel free to do more than this as your schedule (and vocal endurance) allows for. If you do any less than this, you will simply not experience the growth and progress you desire.

Attendance Policy

For individual lessons with Tim, 24-hour advance notice of cancellation is required, otherwise the lesson time/payment will be forfeited.

For lessons cancelled more than 24-hour in advance, an alternate time will be arranged between Tim and the participant.

A maximum of 2 lessons are eligible to be rescheduled for the entire duration of the program. Any cancellations after these initial 2 will be forfeited by the participant.

There is no credit or rescheduling available for missed Studio Classes.
